BUSINESS RELATIONSHIP

The relationship between a landlord (owner/agent) and a resident or applicant is a business relationship. A courteous and businesslike attitude is required from both parties. The owner/agent reserves the right to not conduct business with anyone who is verbally abusive, swears, is disrespectful, makes threats, uses discriminatory language, appears to be intoxicated or under the influence of alcohol or drugs, is argumentative, or in general displays an attitude, at any time, which causes the owner/agent or the property staff to believe we would not have a positive business relationship.

If an applicant or any member of the applicant's family demonstrates unprofessional behavior in the presence of the management team or other residents/applicants, the applicant, the applicant's family and other members of the applicant's entourage (if applicable) will be required to leave the property and the application will be rejected.

If the applicant or any member of the applicant's family exhibits threatening behavior, appears to be intoxicated or under the influence of alcohol or illegal drugs or attempts to intimidate the staff, the applicant, the applicant's family and

other members of the applicant's entourage (if applicable) will be required to leave the property and the application will be rejected.

If the applicant or any member of the applicant's family is not appropriately attired, when visiting the management office, the applicant will be asked to leave. Appropriate attire includes shoes, shirts and pants, shorts or skirts. Unacceptable attire includes, but is not limited to:

- Pajamas
- Bathing suits
- Clothing that allows display of foundation garments (underwear)
- Clothing with inappropriate language or pictures

The use of cell phones or other devices is not allowed when engaging with the property staff. If an applicant/resident is participating in a cell phone call, texting, reading a text or otherwise using any electronic device (not necessary to alleviate the symptoms of a disability), the property staff will discontinue any communication until the applicant is able to "disengage".

To ensure the privacy of property staff, property residents and applicants, use of cell phones or other electronic devices, except those necessary to alleviate the symptoms of a disability, by residents or applicants, is not allowed in the management office.

Animals, (other than assistance animals necessary to allow the applicant/resident to conduct business with the owner/agent) are not allowed in the management office.

Children are always welcome. When in the management office, minors must be supervised. Property staff is not responsible for child care or supervision.

Aside from standard property charges, property staff is not permitted to accept any money, gifts, services or favors connected with the application process or associated with any aspect of residency on this property. If property staff solicits any mandatory payment for any part of the application process, the applicant should notify the property staff or the owner/agent. Please contact the Executive Director at (214) 515-1360.

SMOKE FREE HOUSING

Smoking is prohibited in any area of the property, both private and common, whether enclosed or outdoors, except for the one designated smoking area located at the end of D wing. This policy applies to all owners, property staff, applicants, residents, guests, and servicepersons.

"Smoking" shall include the inhaling, exhaling, or carrying of any lighted cigarette, e-cigarette, cigar, pipe, hookah, other tobacco products, marijuana

including medical marijuana, herbal smoking products “Legal Weed” or products known as “bath salts” or other legal or illegal substance.

USE OF MARIJUANA – FEDERALLY FUNDED PROPERTY

Regardless of the purpose of legalization under state law, the use of marijuana in any form, is illegal under the Controlled Substances Act (CSA) and therefore is an illegal controlled substance under Section 577 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA). Based on federal law, new admissions of medical marijuana users are prohibited.

QHWRA requires that owner/agents establish lease standards that prohibit admission based on the illegal use of controlled substances including state legalized marijuana. State laws that legalize medical marijuana directly conflict with QHWRA and thus are subject to federal preemption.

Residents are prohibited from using marijuana (even in a smokeless manner).

HUD's Office of Multifamily Housing has issued a memorandum titled *Use of Marijuana in Multifamily Assisted Properties*. The memorandum, which is posted on the Multifamily Housing website, details how owners enforce the requirements found in the Controlled Substance Act and the Quality Housing and Work Responsibility Act of 1998.

If HUD rules change, the property Tenant Selection Plan and the property House Rules may be edited to conform to the policies set forth by HUD.

SECURITY DEPOSIT REQUIREMENTS

The owner/agent must collect a security deposit at the time of the initial lease execution. The owner/agent will comply with any HUD rules and applicable state and local laws governing the security deposit. The security deposit amount is based on the Total Tenant Payment (TTP) calculated at move in. If the move-in certification is corrected, and the TTP is recalculated, the security deposit requirement will be recalculated as well. Otherwise, the amount of the security deposit established at move-in does not change when a resident's rent changes.

The resident is expected to pay the security deposit from his/her own resources and/or other public or private sources. An applicant will be rejected if he/she does not have sufficient funds to pay the deposit.

PETS

Residents are allowed to keep pets in the unit.

Certain restrictions apply and are outlined in the property Pet Rules. Pets and assistance animals must be approved **before** they are allowed to live in the unit. A copy of the Pet Rules is available upon request.

When applicable, residents must agree to pay any required pet deposit and must agree to abide by the property's Pet Rules and/or Assistance Animal Rules.

If an applicant wishes to request approval of an assistance animal – necessary to alleviate the symptoms or side-effects of a disability - the applicant (or applicant's representative) must request a reasonable accommodation. Please review the process to request a reasonable accommodation in Appendix A. The applicant should also review the Assistance Animal Policy which is available upon request.

PET DEPOSIT

The pet rules require residents who own dogs or cats (pets) or keep dogs or cats (pets) in their units to pay a refundable pet deposit. This deposit is in addition to any other financial obligation generally imposed on residents of the property.

The pet deposit will not exceed \$300.00. A \$50.00 initial pet deposit is required at the time the pet is brought on to the premises. The resident will be required to pay the remaining balance in increments of \$10.00 per month until the \$300.00 pet deposit is collected. Residents are allowed to pay the entire pet deposit in increments greater than those described if he/she chooses to do so.

The owner/agent will use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet on the property. Such expenses would include, but not be limited to, the cost of repairs and replacement to the unit, fumigation of the unit, and the cost of animal care facilities.

The owner/agent will return the unused portion of a pet deposit to the resident within a reasonable time after the resident moves from the property or no longer owns or keeps a household pet in the unit.

Residents, their guests and/or service providers are required to comply with the property Pet Policies.

Assistance animals that assist persons with disabilities are exempt from the pet policy and from the refundable pet deposit.

Residents, guests and service providers will be required to comply with the Assistance Animal Rules.

ASSISTANCE DEFINITION

The property is operating under the guidelines established for the HUD Section 8 program. A person must be capable of fulfilling the lease requirements.

SUBSIDY

Residents at this property are offered subsidized rent. This means the rent that a household pays is based upon the household income. The rent paid by residents may vary.

TENANT-BASED VOUCHERS

The owner/agent may not admit an applicant with a voucher to a unit with Section 8 assistance unless the applicant agrees to give up the voucher prior to occupancy. This will be verified with the former housing provider.

If the owner/agent discovers that any household member failed to give up current HUD housing assistance before moving to **Fowler Christian Apartments, Inc.**, no rent subsidy or utility allowance will be provided by the Department of Housing and Urban Development until the day after the move out/surrender is complete.

Household members who sign the lease will be responsible for paying the market rent until qualified to receive HUD assistance on this property. Any assistance paid in error must be returned to HUD.

Applicants should consult with the local HUD office if the former landlord is accepting subsidy after move-out.

Please note that housing assistance provided through HUD's multi-family housing program is not the same as the housing assistance provided through the voucher program. If any family member moves out, the housing subsidy will not move with the family as it does with a voucher. The family will be required to re-apply to a PHA to receive another voucher.

FOR INDEPENDENT AND SERVICE ENRICHED HOUSING

The owner/agent and property staff does not provide, nor has the authority to provide, any personal care or personal supervision services. All care and supervision services must be provided by the resident or aides supervised by the resident or the resident's representative(s). The owner/agent and property staff does not provide assistance with personal activities or daily living.

FAIR HOUSING POLICIES

FAIR HOUSING

The Fair Housing Act prohibits discrimination in housing and housing related transactions based on race, color, religion, sex, national origin, disability, and familial status.

TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The owner/agent complies with Title VI of the Civil Rights Act of 1964 which prohibits discrimination based on race, color, or national origin in any program or activity receiving federal financial assistance from HUD.

SECTION 504 OF THE REHABILITATION ACT OF 1973

The owner/agent complies with Section 504 of the Rehabilitation Act of 1973 which prohibits discrimination, based on the presence of a disability in all programs or activities operated by recipients of federal financial assistance.

Although Section 504 protections often overlap with the disability discrimination prohibitions included in the Fair Housing Act, Section 504 differs in that it imposes broader affirmative obligations to make their programs, as a whole, accessible to persons with disabilities.

Coordinating Efforts to Comply with Section 504 Requirements

The owner/agent has designated a person to address questions or requests regarding the specific needs of residents and applicants with disabilities. This person is referred to as the Section 504 Coordinator.

Name of Section 504 Coordinator:	Billie Collins
Address:	105 Juliette Fowler Street, Dallas, TX 75214
Phone Number:	(214) 821-4061
TDD/TTY Number:	711 Voice Relay

Requests for Reasonable Accommodation or Modification

In accordance with the Fair Housing Act and Section 504 of the Rehabilitation Act, the owner/agent will make reasonable accommodations or modifications for individuals with disabilities (applicants or residents) unless these modifications would change the fundamental nature of the housing program or result in undue financial and administrative burden. Please see Appendix A for additional information.

COMPLIANCE WITH REQUIREMENTS OUTLINED IN THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013

The owner/agent understands that, regardless of whether state or local laws protect victims of domestic violence, dating violence, sexual assault or stalking, people who have been victims of violence have certain protections provided through the Violence Against Women Reauthorization Act of 2013 (VAWA 2013).

If any applicant wishes to exercise the protections provided in the VAWA 2013, he/she should contact the owner/agent immediately.

The owner/agent will not assume that any act is a result of abuse covered under the VAWA 2013. In order to receive the protections outlined in the VAWA 2013, the applicant/applicant must specify that he/she wishes to exercise these protections.

Please see Appendix E for a copy of the owner/agent's VAWA Policy.

AVAILABILITY OF ASSISTANCE FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY

Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency (LEP)" requires the owner/agent to develop and implement a system to provide housing assistance so persons with Limited English Proficiency (LEP) can have meaningful access to assisted housing opportunities. The owner/agent will provide for such meaningful access consistent with, and without unduly burdening the fundamental mission of the property.

The owner/agent will work to ensure that people who apply for and/or qualify for housing assistance are provided meaningful access to HUD's housing assistance program.

THE EQUAL ACCESS RULE

The owner/agent ensures that HUD's core housing programs are open to all eligible persons regardless of sexual orientation, gender identity or marital status in accordance with *The Equal Access Rule*.

ELIGIBILITY REQUIREMENTS

PROPERTY ELIGIBILITY DEFINITION

This 202/8 property is designed to provide housing to elderly and disabled families who meet the eligibility and screening requirements. In order for a family/household to meet the "family type" eligibility requirements, the head-of-household, the co-head-of-household or a spouse must be

- 62 or older or
- Disabled (as defined by HUD in Disability Definition G, H and I) and requires the features of an accessible unit.

Definition G – Disabled (Handicapped) Family.

Disabled (handicapped) family means:

- (1) Families of two or more persons the head of which (or his or her spouse) is a person with disabilities (handicapped);

- (2) The surviving member or members of any family described in paragraph (1) of this definition living in a unit assisted under subpart E of this part (Section 202 loans) with the deceased member of the family at the time of his or her death;
- (3) A single person with disabilities (handicapped person) over the age of 18; or
- (4) Two or more persons with disabilities (handicapped persons) living together, or one or more such persons living with another person who is determined by HUD, based upon a licensed physician's certificate provided by the family, to be essential to their care or well-being.

Definition H – Person with a Disability (Handicapped Person).

A person with disabilities means:

- 1) Any adult having a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration, substantially impedes his or her ability to live independently, and is of a nature that such ability could be improved by more suitable housing conditions.

Definition I – Nonelderly Disabled (Handicapped) Family.

A nonelderly disabled (handicapped) family means a disabled family in which the head of the family (and spouse, if any) is less than 62 years of age at the time of the family's initial occupancy of a project.

Income Limits

Income limits vary by household size. The owner/agent will provide applicants a copy of the income limits for the property area upon request. In addition, applicants can review the income limits by accessing the following web site. <http://www.huduser.org/datasets/il.html>. HUD requires that property managers incorporate the most recently published income limits when determining eligibility.

For this property, qualified applicant households meet the following income limit requirements:

Subsidy	Type of Income Limit
Section 8	Low – 80% of median income Very low – 50% of median income Extremely low – very low income household whose income equals or is less than the greater of poverty level or 30% of median income

Occupancy Standards

Occupancy standards serve to prevent the over-utilization or under-utilization of units that can result in an inefficient use of housing funding. Occupancy

standards also ensure that residents are treated fairly and consistently and receive adequate housing space.

Below, please find this property’s occupancy standards description:

Number of Bedrooms	Min. # Household Members	Max. # Household Members
1	1	2

In selecting residents from eligible applicants who meet the Screening Criteria, the first consideration is matching an appropriate unit to the prospective residents and type of unit. Since all FCA units are one bedroom, a unit will be offered to a household of one or two persons.

Verifying the Need for an Accessible Unit

When an applicant requests an accessible unit or a unit preference, such as a first floor unit, the owner/agent will conduct inquiries to:

1. Verify that the applicant is qualified for the unit, which is only available to persons with a disability or to persons with a particular type of disability
2. Verify that the applicant needs the features of the unit as an accommodation to his or her disability
3. Verify that the applicant is qualified to receive a priority on the waiting list available to persons with a disability or to persons with a particular type of disability

PROGRAM ELIGIBILITY

Based on federal regulations, the owner/agent may admit only eligible applicants. In the selection of applicants for admission, eligibility criteria have been established in accordance with HUD guidelines.

The following eligibility standards will be applied in accordance with HUD requirements:

1. The household’s annual income must not exceed program income limits at move-in
2. The Head-of-Household (HOH), co-Head-of-Household and the spouse (regardless of age) and all adults in each household must sign an Authorization for Release of Information (HUD Forms 9887 and 9887A) and owner/agent created verification documents prior to receiving assistance and annually thereafter
3. The unit for which the household is applying must be the household’s only residence
4. An applicant must agree to pay the rent required by the program under which the applicant will receive assistance

5. Only U.S. citizens or eligible non-citizens may receive assistance (*See additional information below and in Appendix B*)
6. Applicants who claim eligible status must disclose Social Security Numbers for all household members and provide proof of the numbers reported (*See additional information below*)
7. The household size must be appropriate for the available apartments (*See Occupancy Standards*)
8. All information reported by the household is subject to verification

Disclosure and Verification of Social Security Numbers

All household members receiving HUD housing assistance or applying to receive HUD housing assistance are required to provide a Social Security Number and adequate documentation necessary to verify that number. This rule applies to all household members including live-in aides, foster children and foster adults. Adequate documentation includes a Social Security card issued by the Social Security Administration (SSA) or other acceptable evidence of the SSN such as:

- Original Social Security card
- Driver's license with SSN
- Identification card issued by a federal, State, or local agency, a medical insurance provider, or an employer or trade union.
- Earnings statements on payroll stubs
- Bank statement
- Form 1099
- Retirement benefit letter
- Life insurance policy
- Court records

Exceptions to Disclosure of Social Security Number

The Social Security Number requirements do not apply to:

1. Individuals age 62 or older as of January 31, 2010, whose initial determination of eligibility was begun before January 31, 2010.
2. Individuals who do not contend eligible immigration status. When applicants and residents are required to declare their citizenship status, the existing regulations pertaining to proration of assistance or screening for mixed families must continue to be followed.

If, at the time a unit becomes available, all non-exempt household members have not provided adequate documentation necessary to verify Social Security Numbers, the next eligible applicant must be offered the available unit.

All non-exempt household members have ninety (90) days-from the date they are first notified that a unit is available-to provide documentation necessary to verify the Social Security Numbers. During this 90-day period, the household may

retain its place on the waiting list, but will not be considered again until the required documentation is provided.

If, after ninety (90) days, the applicant is unable to disclose/verify the Social Security Numbers of all non-exempt household members, the household will be determined ineligible and removed from the waiting list.

The applicant may apply again, after obtaining the appropriate documentation. The applicant will be placed on the waiting list based on the date and time the **new** application is received.

Secondary Verification of the Social Security Number

The Social Security Number provided will be compared to the information recorded in the Social Security Administration database through HUD's Enterprise Income Verification System (EIV) to ensure that the Social Security Number, birth date and last name match.

If EIV returns an error that cannot be explained or resolved, assistance and/or tenancy may be terminated and any assistance paid in error must be returned to HUD. If the applicant/resident deliberately provides an inaccurate Social Security Number, the owner/agent and/or HUD may pursue additional penalties due to attempted fraud.

CITIZENSHIP/IMMIGRATION STATUS REQUIREMENTS

Applicants are required to declare U.S. citizenship or submit evidence of eligible immigration status for each household member seeking housing assistance. The owner/agent is required to obtain the following:

- 1) Family Summary Sheet (*lists all household members who will reside in the assisted unit*)
- 2) Citizenship Declaration - Each household member listed on the Family Summary Sheet must complete a declaration of citizen or non-citizen status
- 3) Forms and/or evidence of citizen/immigration status as required by HUD

Additional information regarding submission and verification of proof of citizenship status or eligible non-citizen status can be found in Appendix B.

If any applicant has questions or experiences difficulty providing the described information or determining the type of documentation required, the applicant should contact the management office. If any applicant is unable to provide the required documentation in the timeframe indicated in Appendix B, the applicant must contact the management office to request an extension. If any applicant fails to provide this information in the timeframes described, the owner/agent cannot provide assistance and the application will be rejected.

The owner/agent will offer the household assistance, providing subsidy to those eligible household members whose documents were received on time, when the following criteria is met:

1. At least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible based on all of the criteria in this resident selection plan
2. Assistance/unit is available
3. The household is the next household to be selected from the waiting list

Proof of declared citizenship status must be provided for all household members. Members who claim U.S. citizenship can provide any documents approved by HUD or the Department of Homeland Security (DHS) to prove citizenship. Additional information is provided in Addendum B.

Non-citizens claiming eligible status must follow the guidance provided in Addendum B and in 24 CFR to prove eligible non-citizen status.

Applicants must be able to provide proof of citizenship or legal immigration status.

Citizenship eligibility must be reviewed after move-in if eligibility status can change. If any household member is determined to be an ineligible non-citizen, either at application or after move-in, assistance and/or tenancy may be denied, terminated or prorated as appropriate.

SINGLE RESIDENCE/SUBSIDY CRITERIA

A household is eligible for assistance only if the unit will be the household's only residence. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit.

Applicants MUST disclose if they are currently receiving HUD housing assistance. Residents can only receive subsidy for one unit/residence at a time. This prohibition does not prevent a person who is currently receiving assistance from applying for an assisted unit in another property.

If, for any reason, an applicant moves in to this property before moving out of another subsidized unit, the new resident will be required to pay market rent until the move out from the previous property is complete and the resident is eligible to receive HUD subsidy for this property. Assistance in the new unit will begin, if the household is still eligible, the day after assistance ends for the previous unit.

There is an exception to this rule. Children in joint custody arrangements can receive HUD housing assistance in two units when both parent/guardian families receive HUD housing assistance.

However, only one household may use the \$480 dependent deduction to determine adjusted income. In these cases, additional verification is required.

The owner/agent will request:

- Verification of the custody/guardianship/living arrangement - *Please see Appendix D for additional information*
- Verification of the use of the \$480 deduction. The owner/agent will verify use of the \$480 dependent deduction with the other owner/agent if :
 1. The child will live in the unit at least 50% of the time and
 2. The parent wishes to claim the \$480 deduction, and
 3. Both families are receiving HUD housing assistance

All adults will be required to sign the Acknowledgement in Appendix C.

ELIGIBILITY OF STUDENTS ENROLLED AT AN INSTITUTE FOR HIGHER EDUCATION

Student eligibility is determined at move-in/initial certification and at each annual certification. Student eligibility may also be reviewed at interim certification if student status has changed since the last certification. A student who is otherwise eligible and meets screening requirements is eligible for assistance if the student meets the criteria indicated below. Section 8 assistance shall not be provided to any individual who:

1. Is enrolled as either a part-time or full-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential; and
2. Is under the age of 24; and

7. Is not living with his or her parents who are receiving Section 8 assistance; and
8. Is not individually eligible to receive Section 8 assistance or has parents (the parents individually or jointly) who are not income eligible to receive Section 8 assistance.

NOTE: *Unless the student can demonstrate his or her independence from parents, the student must be eligible to receive Section 8 assistance **and** the parents (individually or jointly) must be eligible (income eligible) to receive Section 8 assistance in order for the student to receive Section 8 assistance.*

For a student to be eligible independent of his or her parents (where the income of the parents is not relevant), the student must demonstrate independence from, parents. While owners may use additional criteria for determining the student's independence from parents, owners must use, and the student must meet, at a minimum **all** of the following criteria to be eligible for Section 8 assistance.

The student must:

1. Be of legal contract age under state law;
2. Have established a household separate from parents or legal guardians for at least one year prior to application for occupancy, **or**,

***NOTE:** An owner cannot evict or require an ineligible student to move from a unit as long as the student is in compliance with the terms of the lease*

Any financial assistance a student receives (1) under the Higher Education Act of 1965, (2) from private sources, or (3) from an institution of higher education that is in excess of amounts received for tuition shall be considered income to that individual, except for:

- A person 24 years of age or older with dependent children as defined by HUD or
- A person living with his/her parents

The definition of tuition is consistent with the definition provided by the Department of Education

Prohibition of Assistance to Noncitizen Students

Noncitizen students and their noncitizen families may not receive assistance. Noncitizen students are not eligible for continuation of assistance or temporary deferral of termination of assistance. A noncitizen student is defined as an individual who is as follows:

1. A resident of another country to which the individual intends to return;
2. A bona fide student pursuing a course of study in the United States; and

3. A person admitted to the United States solely for the purpose of pursuing a course of study as indicated on an F-1 or M-1 student visa.

This prohibition applies to the noncitizen student's noncitizen spouse and noncitizen children. However, spouses and children who are U.S. citizens may receive assistance. For example, a family that includes a noncitizen student married to a U.S. citizen is a mixed family.

PROCEDURES FOR TAKING APPLICATIONS

It is the owner/agent's policy to accept and process applications in accordance with HUD guidance. The owner/agent will make a reasonable accommodation to assist in the application process if the applicant or any member of the applicant household is disabled.

Upon request, the owner/agent will provide interested parties with a copy of the application package. The person who is indicated as the Head-of-Household (HOH) must execute and sign all documents that are included in the application package. Before completing or executing any forms, additional copies should be made for all adult household members and in some cases for minors who will live in the unit. All adult applicants must complete the application package as instructed.

All applications can be submitted on site at the property management office during normal business hours. The owner/agent will accept applications using alternative methods including mail or fax. The owner/agent will also accept the application in an equally effective format, as a reasonable accommodation, if there is the presence of a disability.

All documents in the Application Package must be **completed in full**, signed and dated in order to be accepted. Applicants **will not** be added to the waiting list until all application forms have been properly completed and signed as appropriate.

If the applicant wishes to see an apartment then he or she must make an appointment with a minimum of 24 hours' notice so that owner/agent can schedule an appointment with a current resident to show their apartment. Tours are only given during normal business hours on Monday-Friday, by appointment, or if special arrangements are made for a weekend tour.

INCOMPLETE APPLICATIONS

If the application is not complete, the owner/agent will attempt to contact the applicant to obtain missing information. The applicant will have ten (10) business days to respond and provide missing information. If the applicant fails to provide

required information within the ten (10) day period or request additional time, the owner/agent will return the application.

PRELIMINARY DETERMINATION OF APPLICANT ELIGIBILITY

Information needed to determine applicant eligibility shall be obtained, verified, and the determination of applicant eligibility performed, in accordance with HUD and property eligibility requirements.

Upon receipt of the completed application, the owner/agent will make a preliminary eligibility determination before adding a household to the waiting list or initiating final eligibility tasks. The owner/agent will review the application to ensure that there are no obvious factors that would make the applicant ineligible. All eligible/accepted applications will be processed with date, time and an application number. The application number will be a reference number for office use only. After the application data has been entered it will then be placed on the Waiting List.

If a preliminary eligibility review indicates that a household appears eligible for tenancy, but units of appropriate size are not available, the owner/agent will place the household on the waiting list for the property and notify the household when a suitable unit becomes available.

If an applicant is otherwise eligible but no appropriate unit exists in the property, the owner/agent will reject the application.

The applicant will receive a letter acknowledging receipt of the application, and giving details of the waiting list procedure or a letter stating the reason(s) for rejection.

FINAL DETERMINATION OF ELIGIBILITY

When a unit becomes available, all eligibility criteria will be reviewed before a final eligibility determination is made.

Being eligible, however, does not guarantee that the application will be approved. All adult applicants (and if appropriate minors) will be subject to the certain screening based on landlord/rental history, credit history and criminal history. If the screening process determines that the family meets HUD's and the owner/agent's standards for admission, the family is found eligible.

LIVE-IN AIDES

Please contact the management office staff if a live-in aide will be moving in to the unit. If the family plans to include a live-in aide, the live-in aide is not required to complete the same application forms. Live-in aides must complete the Live-in Aide Questionnaire and participate in screening and other O/A verifications that are required.

The live-in aide has no rights to the unit as a remaining family member and must agree to relinquish possession of the unit within a reasonable time if the resident is absent for an extended period of time or if the resident leaves for any reason. The live-in aide will be required to sign an acknowledgement the live-in aide has no right of residency or occupancy if the resident is absent or if the resident moves out for any reason including death.

WAITING LISTS

To ensure that applicants are appropriately and fairly selected for the next available unit (*when a unit of the appropriate size or type is not available at the time of application*), it is essential for the owner/agent to maintain waiting lists. The owner/agent will place the applicant household on the waiting list after preliminary eligibility determination is complete.

Applicants will have the option of specifying a desired unit size or multiple unit sizes when completing the application. The applicant will be placed on the waiting list for all indicated unit sizes/types as long as:

- The applicant household meets the Occupancy Standards described in this plan, and
- The waiting list for the unit size is open

The applicant (Head-of-Household (HOH)) will be contacted, based on the waiting list selection criteria, for the first unit that becomes available based on the selection guidelines described in this plan.

MAINTAINING WAITING LISTS

It is the policy of the owner/agent to administer its waiting list as required by HUD handbooks and regulations. The owner/agent will update the waiting list by removing the names of applicants based on the requirements set forth in this plan.

The owner/agent will contact each applicant household annually. The Head-of-Household (HOH) will be the only person contacted unless otherwise requested.

If this letter is unable to be delivered by the United States Postal Service, the application will be rejected and the household will be removed from the waiting list.

If the Head-of-Household (HOH) fails to respond to the owner/agent inquiries regarding the desire to remain on the waiting list, the application will be rejected and the household will be removed from the waiting list.

In addition, an adult member of the applicant household must contact the property, in writing, if household information changes (i.e. number of household members, number of future household members, criminal history, income, etc.). If the household size or composition changes, the owner/agent will:

1. Update the waiting list information and

2. Decide whether the household needs the same or a different unit

If, as a result of the household composition change, it is determined that the household will be on the waiting list for a different unit than originally indicated, the household will maintain their place on the waiting list for the new unit.

If the waiting list is currently closed for the appropriate unit size, the application will be rejected and the household will be removed from the waiting list.

If there are no units of the appropriate size on the property, the household will be rejected and will be removed from the waiting list.

REMOVAL OF APPLICANTS FROM THE WAITING LIST

The owner/agent will remove an applicant's name from the waiting list when if any of the following apply:

- Applicant requests that the household name be removed
- The unit that is needed – using household size as the basis – has changed, and no appropriate size/type unit exists in the property
- The unit that is needed – using household size as the basis – has changed, and the waiting list is closed for that unit size/type
- Applicant fails to meet eligibility requirements
- Applicant fails to meet occupancy standards
- Applicant fails to meet screening requirements
- Applicant is rejected for any reason described in this plan
- Applicant cannot be contact by US Mail (letters are returned or undeliverable)
- Applicant cannot be contacted by phone (number disconnected or changed)
- Applicant fails to keep application information up to date based on the requirements described in this plan
- Applicant was clearly advised, in writing, of the requirement to tell owner/agent of his/her continued interest in housing by a particular time and failed to do so
- Applicant refused second offer of a unit (*See Right to Refusal Policy for additional information.*)

If an applicant is removed from the waiting list, and subsequently the owner/agent determines that an error was made in removing the applicant, the applicant will be reinstated at the original place on the waiting list.

If an applicant is removed from the waiting list and later, the applicant household feels that they are now qualified for assistance/tenancy, the applicant household must submit a new application. The applicant will be place on the waiting list, as necessary, based on the submission date and time of the **new** application.

There are certain situations when the owner/agent may refuse to accept an application. The owner/agent will not accept applications from individuals who were previously rejected because the applicant:

- Is subject to a state lifetime sex offender registry
- Has been convicted of a crime as indicated in the criminal screening criteria (*certain time restrictions apply*)
- Has been evicted from another property managed or owned by the owner/agent
- Has been evicted from a federally assisted property for drug use in the last three years

In addition, if an applicant previously accepted a unit offered by the owner/agent and the applicant failed to take possession of the unit on the agreed upon date without notice to the owner/agent, the owner/agent reserves the right to refuse all future applications.

SELECTING APPLICANTS FROM THE WAITING LIST

When a unit becomes available, the owner/agent will contact the next household on the waiting list (*based on the selection criteria described in this plan*) and the household members will be required to meet with management for an eligibility interview.

- Successful completion of the First Interview is the prerequisite to being screened and information is processed to determine program eligibility. Any applicant who is unable to or choose not to accept two different offers for a First Interview will be removed from the waiting list. Applicants may not exceed cycling through the waiting list 2 times.

FCA attempts to work ahead on the waiting list to provide ample notification time to applicants.

1st - applicant is contacted by phone

2nd - letter is sent to applicant giving at least 10 days to respond

3rd - second letter sent stating non-response within the next 14 days will result in name being removed from waiting list.

4th - applicant name is removed from the waiting list if no response is received at the end of the 14 days.

- First Interviews are schedule as soon as possible when an applicant responds to the call or offer letter. An applicant responding to notification has a total of 30 days to schedule and complete the First Interview meeting. Failure to do so will result in the applicant's name being removed from the list or being moved to the end of the list if eligible.

Any delay in an applicant responding to offer letters or scheduling and completing the First Interview may result in FCA having to process and/or make an apartment offer to the next eligible person on the waiting list.

By working ahead to process applications and scheduling First Interview meetings as applicants respond to offer letters, applicants may schedule and complete interviews in an order other than the waiting list order. Whenever possible, FCA will make offers on apartments in waiting list order; however, offers cannot be made until eligibility is completely verified.

Any delay in the verification process could delay an applicant from being offered an apartment in waiting list order. FCA policy does not allow apartment to remain vacant or to be “held” for applicants.

- From time to time the Applicant is updated. When significant changes are made to the application, it may be necessary to mail a new application to each household on the waiting list. When such an event is necessary, a letter will accompany the application stating the completion and return of the new application, by the deadline named in the letter is necessary for the applicant to remain on the waiting list.

Applicants who comply will remain in chronological order on the waiting list. Applicants who fail to return the new application will be removed from the waiting list.

Applicants who return the new application after the deadline will be placed on the waiting list in the order the new application is received and postmarked.

No decisions to offer the unit shall be made until all information presented by the applicant has been verified and the final eligibility determination is complete.

If immediate occupancy is expected, the applicant will have five (5) calendar days to provide all missing information.

If immediate occupancy is not expected, the applicant will be provided with information regarding the approximate time periods in which information must be provided based on estimated time to be spent on the waiting list. It is to be clearly understood that time frames given regarding length of time to be spent on the waiting list is speculation and is subject to change without notice due to unknown turnover rates.

INCOME TARGETING

Based on the HUD contract for this property, the owner/agent is required to comply with the Income Targeting Requirement. Income Targeting requires that the owner/agent implement policies to ensure that, during the property fiscal year, 40% of all households that move in to the property or who begin receiving assistance fall within the Extremely Low Income Limits (30% of median) for the area where the property is located.

At this time, no special selection methods are required to meet the Income Targeting requirements.

The owner/agent is required to monitor compliance throughout the year. If, after periodic review, the owner/agent discovers that the Income Targeting Requirement will not be attained, the owner/agent will only select, in order, those applicants whose income falls within the extremely-low income levels. Once the Income Targeting Requirement is met, the owner/agent will return to the “natural” selection order.

PREFERENCES

Applicants with preferences are selected from the waiting list and receive an opportunity for an available unit earlier than those who do not have a preference. Assigning preferences to applicants who meet certain criteria is a method intended to provide housing opportunities to applicants based upon household circumstances.

Preferences affect only the order applicants are selected from the waiting list. They do not make anyone eligible who was not otherwise eligible. Preferences are not permitted if they, in any way, interfere with affirmative marketing efforts or fair housing requirements.

Owner/agent-Adopted Preferences

Unit Transfer Preference: Routine transfers between buildings which are merely requests are prohibited by the Department of Housing and Urban Development (HUD). Residents who have submitted a new application, who are verified by a medical professional as eligible for the transfer (medical necessity or reasonable accommodation) are given preference on the waiting list. This means that a resident transferring from one unit to another will be offered a unit before an applicant.

Split Household Preference: If two or more adult household members reside in one unit and one or more adults choose to apply for a separate unit, they will be required to submit an application. The application will be reviewed for eligibility as described in this plan and if approved, that applicant will receive preference over other residents and applicants.

Emergency HUD Preference: On occasion, usually in response to a presidentially declared disaster, HUD requests that owner/agents implement a temporary preference for victims. The owner/agent may implement a temporary emergency preference based on requests from the Department of Housing.

If HUD requests that the owner/agent implement such a request, the preference will be in place for a maximum of 30 days from the date of notification to existing applicants.

If such a preference is implemented, applicants who qualify for the preference will receive priority over other applicants/residents with preferences except when a resident has requested a unit transfer because 1) the resident requires the accessibility features of a different unit; or 2) the current unit is too large or too small for the family; or 3) there is a verified medical need for a unit transfer.

Verification of Preferences

All preferences will be verified using the verification methodology described in this resident selection plan.

When a Request for Preference is Denied

If it is determined that an applicant does not meet the criteria for receiving a preference, the applicant will receive written notice of this determination within ten (10) business days.

The notice will contain the reasons for the determination. The applicant has the right to meet with the owner/agent representative to review or appeal the decision.

Change in Preference Status While on the Waiting List

Occasionally households on the waiting list who did not qualify for a preference when they applied will experience a change in circumstances that qualifies them for a preference. In such cases, it is the responsibility of the applicant to contact the owner/agent so that their change in status may be verified and the waiting list can be updated to reflect the preference as appropriate.

To the extent the verification determines the household does now qualify for a preference, they will be selected from the waiting list in accordance with the preference and the date the application was received.

Exceptions to the Preference Rule

Management must give priority to current residents:

- Residing in a unit that has been determined uninhabitable due to flood, fire or other natural disaster
- When a unit is designated for rehabilitation or repair

These situations represent extenuating circumstances and the normal selection order may be adjusted to address the needs of these residents.

OPENING AND CLOSING WAITING LIST

In order to ensure that applicants on the waiting list are processed in a reasonable amount of time, the owner/agent may stop accepting applications and close waiting lists in whole or in part. Decisions about closing and opening the waiting list will be based on the number of applications available for an apartment and the ability of the owner/agent to house an applicant in a reasonable period of time.

The owner/agent will use a twelve (12)-month waiting period to determine whether the waiting list may be closed. If the owner/agent has sufficient applications, the waiting list may be closed completely. Notices announcing that the waiting list is closed or open will be publicly announced in the following manner:

- Local newspapers
- Publications described in the Affirmative Fair Housing Marketing Plan
- Flyers distributed in applicable neighborhoods

Interested parties who insist on submitting applications when the waiting list is closed will not be considered. The application **will not be reviewed** and will be returned.

During the period when the waiting list is closed, the owner/agent **will not** maintain a list of individuals who wish to be notified when the waiting list is reopened.

PRIVACY POLICY

It is the policy of the owner/agent to guard the privacy of individuals conferred by the Federal Privacy Act of 1974 and to ensure the protection of such individuals' records maintained by the owner/agent.

Neither the property owner nor its agents shall disclose any personal information contained in its records to any person or agency, other than HUD, its Contract Administrators or other federal/state entity or investor auditing entities, unless the individual about whom information is requested gives written consent to such disclosure. Such consent may be provided in an equally effective manner, as a reasonable accommodation, when there is the presence of a disability.

This Privacy Policy in no way limits the owner/agent's ability to collect such information to determine eligibility, compute rent, or determine an applicant's suitability for tenancy.

VERIFICATION

The owner/agent shall obtain verifications in compliance with requirements set forth by the Department of Housing and Urban Development. After the

preliminary eligibility determination, no decision to approve an application shall be made until information provided on the application form and during subsequent interviews has been collected and any necessary follow-up interviews have been performed. All information relative to the following items must be verified as described in these procedures:

PERIOD FOR VERIFICATION

Only verified information that is less than 120 days old may be used for verification. Verified information not subject to change (such as a person's date of birth) will not be re-verified.

CONSENT AND VERIFICATION FORMS

Regardless of age, the Head-of-Household (HOH), the co-Head-of-Household (HOH) the spouse of the Head-of-Household (HOH) and all adult members of a household must sign HUD's consent forms so that the owner/agent can verify eligibility.

1. HUD-9887, *Notice and Consent for the Release of Information to HUD and to a PHA*
2. HUD-9887-A, *Applicant's/Resident's Consent to the Release of Information Verification by Owners of Information Supplied by Individuals Who Apply for Housing Assistance*

Consent and verification forms protect the rights and privacy of residents and applicants by allowing them to have control over any information collected about them.

All adult members of an applicant or resident household must also sign individual verification forms authorizing the owner/agent to verify household income and applicable eligibility factors (e.g., disability status) and to allow for screening.

When a minor living in the unit turns 18, he/she will have thirty (30) days to meet with the management staff and sign appropriate forms. Failure to do so will result in termination of subsidy for the entire household.

PROVISIONS FOR REFUSAL TO SIGN

If any member of the applicant's household, does not sign and submit the consent forms as required, the owner/agent must reject the application and deny assistance and/or tenancy.

MISREPRESENTATION

Any information, provided by the applicant that proves to be untrue may be used to disqualify the applicant because of misrepresentation or attempted fraud. The owner/agent will not take any action to reduce or deny assistance based on inconsistent information received during the verification process until the owner/agent has independently investigated the information.

The owner/agent considers false information about the following to be grounds for rejecting an applicant:

- Identity
- Social Security Numbers/Information
- Income
- Assets/Income From Assets
- Household Composition
- Disability
- Birth Date/Age
- Citizenship, Naturalization, And/or Eligible Immigration Status

- Eviction History
- Criminal History
- Sexual Offender Status
- Eligibility For Preferences and Priorities
- Allowances
- Current/Previous Residence History
- Current Housing Assistance
- Status As A Student

Unintentional errors that do not cause preferential treatment will not be used as a basis to reject applicants.

APPLICANT SCREENING CRITERIA

Screening is performed in a manner that is reasonable, consistent, and complies with fair housing laws. Screening is used to help ensure that households admitted to a property will abide by the terms of the lease, pay rent on time, take care of the property and unit, and allow all residents to peacefully enjoy their homes.

Anyone who wishes to live on the property must be screened prior to moving in. This includes, but is not limited to, live-in aides, security/police officers or additional household members wishing to move-in after the initial move-in. *Certain exceptions apply to children/minors.* The current screening guidelines in place at the time the new household member applies will be used to determine eligibility for admission.

SCREENING FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY

HUD has established standards that prohibit admission of:

1. Any household in which any member was evicted in the last three years from federally assisted housing for drug-related criminal activity.
2. A household in which any member is currently engaged in illegal use of drugs or for which the owner/agent has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents. ("Currently engaged" as used in the preceding sentence will be indicated and investigated if there is a record of arrest or conviction within the two (2) years preceding application.)
3. Any household member if there is reasonable cause to believe that member's behavior, from abuse or pattern of abuse of alcohol, may interfere with the health, safety, and right to peaceful enjoyment by other residents. The screening standards are based on behavior, not the condition of alcoholism or alcohol abuse.
4. Any household member who is subject to any state lifetime sex offender registration requirement.

In addition to HUD requirements, FCA has established a policy to reject, and will reject, applications if any household member's criminal history includes one or more of the following:

1. Criminal activities resulting in felony conviction if the conviction or exit from incarceration occurred within the 15-year period preceding application and involved:
 - a. Violence;
 - b. Potential violence;
 - c. Human trafficking;
 - d. Destruction of property;
 - e. Burglary;
 - f. Theft;
 - g. Stalking
 - h. Fraud; or
 - i. Illegal distribution or manufacture of a controlled substance.
2. Criminal activities resulting in felony conviction other than for crimes involving violence, potential violence, human trafficking, destruction of property, burglary, theft, stalking, fraud, or the illegal distribution or manufacture of a controlled substance if the conviction or exit from incarceration occurred within ten (10) years preceding application.
3. A record of three or more separate instances where the applicant is involved in criminal activities resulting in felony conviction if the conviction or exit from incarceration occurred within fifteen (15) years preceding application.
4. Criminal activities resulting in misdemeanor convictions involving violence, potential violence, human trafficking, destruction of property, burglary, theft, stalking, fraud, or the illegal distribution or manufacture of a controlled substance within five (5) years of conviction or exit from incarceration, whichever is later
5. Criminal activities resulting in misdemeanor convictions other than crimes involving violence, potential violence, human trafficking, destruction of property, burglary, theft, stalking, fraud, or the illegal distribution or manufacture of a controlled substance within three (3) years of conviction or exit from incarceration, whichever is later
6. A record of three or more separate instances where the applicant is involved in criminal activities resulting in misdemeanor convictions – other than the above - within five (5) years of conviction or exit from incarceration, whichever is later
7. Requirement that a household member register under a state sex offender registration program. If FCA determines that a registered sex offender is part of the household, FCA will allow the household to remove the sex offender from the application. Removal must be documented using a signed, notarized copy of the owner's form. The household will have ten (10) business days to provide verification that the household member has

alternative housing or that the household member has applied for alternative housing. Failure to provide such documentation will result in rejection of the application for all household members. In such a case, FCA reserves the right to monitor household composition after move-in. If FCA discovers that a sex offender has moved into the unit, assistance will be terminated and the household will be evicted in accordance with HUD requirements.

If FCA is unable to complete required criminal or sex offender screening due to the applicant's failure to provide required information or release forms, the application will be rejected.

If FCA discovers an unresolved criminal charge of an offense covered under the Violence Against Women Act, charge of a felony, or a charge involving the possession or distribution of an illegal controlled substance, the circumstances surrounding the arrest will be investigated. If there is evidence that the applicant participated in such illegal activity, the application may be suspended until the charge is resolved. At that time, FCA's current screening criteria will be applied. If the charges result in the resident's conviction, the applicant will be deemed ineligible.

If a resident or applicant has requested VAWA protections and such protections have been justified based on owner/agent investigation, the abuser/perpetrator will not be approved to live on the property.

Management will review certain criminal history, based on HUD recommendations, for all adult household members at each annual certification. If it is determined that an adult household member has engaged in an action that would have resulted in denial of the application under HUD regulations or FCA's policies had the action been of record at the time of application, the adult household member will be required to leave the household.

Otherwise, FCA will accept applicants that meet the following screening criteria:

1. Whose past performance in meeting financial obligations, especially rent, is satisfactory. If no rental verification exists, the applicant will be asked to provide the name and number of someone with whom the applicant is currently residing or who can complete the Verification form on the applicant's behalf to determine that the applicant will be able to comply with the terms of the lease.
2. Who have no record of the disturbance of neighbors, destruction of property, living, or housekeeping habits that adversely affect the health, safety, or welfare of themselves or other residents.
3. Who have no history of alcoholism, drug abuse (legal or illegal), or mental illness affecting their ability to meet the obligations of tenancy.
4. Who are able to meet the obligations of tenancy. By this is meant that the applicant is able to care for himself or herself without aid from

management or other tenants. FCA is not equipped to provide care for those who need everyday living assistance in caring for themselves and in caring for the rental units. Therefore, no one is eligible for a unit in this project who is not generally capable of everyday care of himself or herself or the rental unit or who becomes so after renting a unit. A person renting a unit in this project becomes ineligible if he or she, by physical or mental impairment, becomes unable to generally care for himself or herself or the rental unit with or without assistance from agencies, family members, private services, etc. in maintaining the activities of daily living (i.e., being able to cook for himself/herself, do light house cleaning, bathe and otherwise maintain personal hygiene, dress themselves, etc.) Residents must be able to complete the recertification process yearly and comply with lease provisions, etc.

In the event of receipt of unfavorable information regarding conduct of the applicant, management shall give consideration to the time, nature and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects in determining the applicant's eligibility.

Factors to be considered in such a case will include the following:

1. Evidence of rehabilitation.
2. Evidence of applicant's participation in or willingness to participate in social service or other appropriate counseling service programs and the availability of such programs.
3. An indication that the applicant is likely to improve his or her financial situation because his or her rent will be lower once the applicant is admitted to subsidized housing.

SCREENING FOR RECEIPT OF HUD ASSISTANCE IN ANOTHER UNIT

All applicants **MUST** disclose if they are currently receiving HUD housing assistance. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit on this property. HUD provides the owner/agent with information about an applicant's current status as a HUD housing assistance recipient.

The owner/agent will use the **Existing Tenant Report** provided via HUD's Enterprise Income Verification System (EIV) to determine if the applicant or any member of the applicant household is currently receiving HUD housing assistance.

Nothing prohibits a HUD housing assistance recipient from applying to this property. However, the applicant must move out of the current property and/or forfeit any voucher before HUD assistance on this property will begin.

Special consideration applies to:

1. Minor children where two assisted families share custody
2. Recipients of HUD assistance in another unit who are moving to establish a new household when other family/household members will remain in the original unit (*Split household/Swap household*)

If an applicant fails to fully and accurately disclose rental history, the application may be denied based on the applicant's "misrepresentation" of information and the household will be removed from the waiting list.

This information will be reviewed periodically after move-in.

If any household member receives or attempts to receive HUD housing assistance while receiving HUD housing assistance on this property, the household member will be required to reimburse HUD for assistance paid in error. This is considered a material lease violation and may result in penalties up to and including eviction and pursuit of fraud charges.

REJECTING INELIGIBLE OR UNQUALIFIED APPLICANTS

The owner/agent reserves the right to reject applicants for admission based on any of the following:

- No unit of the appropriate size exists on the property
- The household fails to meet the HUD indicated eligibility requirements for the assistance program/property
- Any non-exempt member of the household fails to provide a Social Security Number or adequate documentation to verify the Social Security Number (SSN)
- Any member of the household fails to meet the applicant screening requirements
- Due to an incomplete application.
- Any member of the household fails to sign appropriate verification documents
- Includes family members who did not declare citizenship or non-citizenship status, or sign a statement electing not to contend non-citizenship status, or sign a statement electing not a citizen, national or eligible non-citizen.
- Misrepresentation
- Fraud
- Any member of the household fails to respond to management inquiries for additional information during the application process
- Any member of the household fails to provide changed household information to the management company as indicated

- The owner/agent is unable to contact the applicant via US Mail (letters undeliverable or returned) and/or by phone (number disconnected or changed)
- Any member of the household has a record of eviction, for lease violations, from any property managed by Fowler Christian Apartments, Fowler Christian Apartments II, or Fowler Christian Apartments III.
- Due to an unfavorable criminal background or credit check.
- A derogatory or unsatisfactory credit history as reported by a credit agency. Unsatisfactory includes, but is not limited to late payment of obligations, judgments, bankruptcy, eviction, etc. Owner/agent may reject an applicant for a poor credit history, but not for a lack of credit history.
- Any member of the household has a record of eviction
- Any household containing a member(s) who was evicted in the last three years from federally assisted housing for drug-related criminal activity. Two exceptions are: 1) The evicted household member has successfully completed an approved, supervised drug rehabilitation program or 2) The circumstances leading to the eviction no longer exist (e.g. the household member no longer resides with the applicant household).
- Due to an unfavorable Landlord verification, including, but not limited to late rent, NSF checks, lease violations, etc. Owner/agent may not reject for lack of rental history, but can for poor rental history.
- There is record of outstanding or overdue payments to a previous landlord
- There is record of outstanding or overdue payments to HUD
- There is record of outstanding or overdue payments to utility providers
- Any member of the household refused to allow treatment of unit contents, at the cost of the owner/agent, when there is history of the presence of bed bugs, fleas, or other parasites
- Verification of poor housekeeping habits that constitutes safety and health hazards.
- The household is unable to establish utilities in the new unit
- The household is unable to pay the security deposit required
- The household is unable to take possession of the unit within 30 days
- The household is unable to pay the first month's rent (TTP)
- The household refuses two or more unit offer
- Is unable to disclose and/or document SSN's of all household members claiming eligible immigration status and requesting assistance, regardless of age.
- FCA will not be your only residence and you are accepting rental assistance at another location.
- The household is incapable of fulfilling the lease agreement or obligations of tenancy with or without assistance.
- Screening for Drug Abuse and other Criminal Activity.
- A household in which any member is currently engaged in illegal use of drugs or for which the owner has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety and right to peaceful enjoyment of the property by other residents.

- Any household member who is subject to a state sex offender lifetime registration requirement.
- Any household member if there is reasonable cause to believe that member's behavior, form abuse or pattern of abuse of alcohol, may interfere with the health, safety and right to peaceful enjoyment by other residents. These screening standards will be based on behavior, not the condition of alcoholism/alcohol abuse.

REJECTION NOTICES

The owner/agent will promptly notify the household (Head-of-Household (HOH)), in writing, of the denial of admission or assistance. A rejection letter will be sent to the Head-of-Household (HOH) via First Class Mail. The rejection letter will include the reason(s) for the rejection.

APPEALING THE DECISION TO REJECT

Any applicant may make a request to appeal the denial in writing **fourteen (14) calendar days from the date of the rejection.**

The owner/agent will accept the request in an equally effective manner, as a reasonable accommodation, if there is the presence of a disability. Such requests are to be submitted to the property management office.

If there is no appeal request **within fourteen (14) days**, the rejection will be considered final. Reasons to appeal include:

- You believe the decision has been made in error
- You believe there are extenuating circumstances that should be considered
- You or a member of your household is a victim of abuse covered by the Violence Against Women Act and you feel your status as a victim contributes to the decision to deny
- You or a member of your household is a person with a disability, and you believe a reasonable accommodation would allow us to continue processing the application
- Your household was rejected because the application includes someone who is a registered sex offender and you wish to remove that household member

Any staff person engaged in the initial review will not be involved in the appeal. Applicants may bring a representative to assist in the appeal meeting. Applicants and/or their representatives have the right to request a reasonable accommodation to:

- Assist in facilitating your request for appeal
- To assist in your participation during the appeal meeting

The owner/agent will provide written notification of a final decision within five (5) business days of the meeting.

OFFERING AN APARTMENT

When a unit becomes available and eligibility is determined, available units will be offered using one or more of the following methods:

- In writing
- Over the phone
- By email

In order to give ample notification time, verify eligibility and meet HUD vacancy deadlines, an applicant will be contacted by phone and a letter as his/her name approaches the top of the waiting list. The applicant will have ten days to respond to the letter inviting him/her to schedule a First Interview. If an applicant does not reply, a second attempt to contact them will be made giving them the opportunity to schedule the First Interview.

If an applicant responds to a letter by the request date but does not wish to process the application at that time, but wishes to remain on the waiting list, the applicant's name will be moved to the end of the list and a new application date and time will be assigned to the applicant's record.

If an applicant is interested in scheduling the First Interview, but is unable to do so for any reason, the applicant will remain in place on the waiting list and be given an additional 45 days from the response request date on the letter to schedule to the first interview. If for any reason, the applicant does not attend the First Interview, on or before the 45 day extension, the applicant will be removed from the waiting list, unless he/she requests to be moved to the end of the waiting list. FCA reserves the right to contact the next person on the waiting list while waiting for an applicant to schedule the First Interview.

Once an applicant has refused an apartment two times, for any reason, the file will be inactivated or moved to the end of the waiting list per the applicant's choice.

Only applicants who have completed a First Interview and whose eligibility has been verified will be considered for admission. All documentation pertaining to the admission process will be kept in the applicant's file.

Failure to respond to the owner/agent will be considered a refusal of the unit offer. (See Right to Refusal policies.)

Occupancy Standards

Owner/Agent will comply with all Federal, State and Local Fair Housing, and Civil Rights Laws, tenant landlord laws, Zoning Restrictions and HUD's equal opportunity and non-discrimination requirements.

- FCA units are one bedroom, 600 square feet or smaller.
- Our policy is to accommodate no more than two person households in one bedroom apartments. HUD's position is generally that occupancy policies which require less than two persons per bedroom will be unreasonable, depending on all facts and circumstances.
- Siblings of same sex may share a bedroom.
- Unrelated adults and persons of the opposite sex (except spouses) would not be required to share a bedroom.
- A child may share a bedroom with a parent if the parent so wishes, often depending on the child's age. This is, however, a decision to be made by the parent.
- When assigning bedrooms:
 - Every family member listed on the HUD-50059 is counted.
 - Live-in attendants are counted when determining bedroom size.
 - Owners may not provide bedrooms for others who are not members of the household, such as adult children on active military duty and permanently institutionalized family member.

In selecting residents from eligible applicants who meet the Screening Criteria, the first consideration is matching an appropriate unit to the prospective resident and type of unit. Since all FCA units are one bedroom, a unit will be offered to a household of one or two persons.

OFFERING ACCESSIBLE UNITS

Units that have been made accessible in accordance with the Universal Federal Accessibility Standards or the Americans with Disabilities Act Accessibility Guidelines will be offered to applicant households with disabled members first. In some cases, the owner/agent may implement marketing effort to ensure that disabled households occupy accessible units.

Units with mobility accessible features will be offered to households with a verified need for mobility accessible units first

If there is no household on the waiting list that has requested an accessible unit, the unit will then be offered to the next household based on the selection order.

OFFERING UNITS TO APPLICANTS WITH DISABILITIES REQUESTING ACCESSIBILITY FEATURES

The owner/agent will not skip over a household that has reached the top of the waiting list and has indicated a need for certain unit features because of a disability.

The household will be given the opportunity to benefit from the program and decide, in compliance with the Fair Housing Act and Section 504, whether a unit meets the needs of the disabled household member. The household may accept the unit and request some modification to the unit as a reasonable accommodation. See Appendix A for information about requesting a reasonable modification.

The HUD 202/8 program contract specifies that 10% of the Section 8 units must be made accessible in compliance with federal guidance. The contract also specifies that any non-elderly family must require an accessible unit. It is also important to note that these accessible units are not “reserved” for non-elderly families but must be made available to both elderly and non-elderly families as necessary. In consideration of that, an eligible non-elderly household will only be offered an accessible unit. Additional clarification was provided by HUD in August 2007 via the “Handbook Questions and Answers”.

OFFERING UNITS TO APPLICANTS OR RESIDENTS WITH PREFERENCES

Applicants/residents with preferences are selected from the waiting list and receive an opportunity for an available unit earlier than those who do not have a preference.

APPLICANT/RESIDENT SELECTION ORDER

Accessible Apartments will be offered in the following order:

1. The next household on the waiting list who resides in an accessible unit and who is requesting a unit transfer to a different accessible unit based on a verified need for a reasonable accommodation
2. The next household on the waiting list who resides in an accessible unit and who is requesting a unit transfer to a different accessible unit based on a verified medical need
3. The next household on the waiting list who resides in an accessible unit and who is requesting a unit transfer to a different accessible unit based on a change in household size or composition
4. The next household on the waiting list who resides in a non-accessible unit and who is requesting a unit transfer to an accessible unit based on a verified need for an accessible unit
5. The next adult household member on the waiting list requesting a separate unit (household split) and the new household will include a member that needs the features of that accessible unit

6. The next applicant household on the waiting list with a verified need for an accessible unit
7. The next household on the waiting list who does not need an accessible unit but who is requesting a unit transfer to a different unit based on a verified need for a reasonable accommodation when no residents or applicants require the features of an accessible unit
8. The next household on the waiting list who does not need an accessible unit but who is requesting a unit transfer based on a verified medical need when no residents or applicants require the features of an accessible unit
9. residents or applicants require the features of an accessible unit
10. The next adult household member requesting a separate unit (household split) when no residents or applicants require the features of an accessible unit
11. The next applicant household on the waiting list

Standard Apartments will be offered in the following order:

1. The next household on the waiting list being transferred to a different unit because no one in the household requires the accessibility features of the unit in which they are currently living
2. The next household on the waiting list requesting a unit transfer based on a verified need for a reasonable accommodation
3. The next household on the waiting list requesting a unit transfer based on a verified medical need
4. The next household on the waiting list requesting a unit transfer because no one in the household requires the accessibility features of the unit in which they currently living
5. The next adult household member requesting a separate unit (household split)
6. The next applicant household on the waiting list

RIGHT TO REFUSAL

The Right to Refusal Policy applies to applicants and existing residents who have submitted a Unit Transfer Request. Residents requesting unit transfer and applicants will be offered available units based on the information included in this resident selection plan.

Each household will be offered the opportunity to accept an offered apartment two (2) times. If a resident/applicant does not wish to accept an offered apartment, they have the right to refuse the offer. Residents/applicants must notify the owner/agent of their intent to refuse the unit offer by using one or more of the following methods:

- In writing (delivered by fax, mail or other means)
- By email
- Over the phone

Note: If the refusal is made over the phone, contact must be made with a member of the management staff. Leaving a message is not adequate.

The first time an applicant or resident refuses a unit, the unit will be offered to the next qualified household based on the selection order described above. The applicant or resident will retain the same place on the waiting list.

The second time an applicant or resident refuses an offered unit, the household will be moved to the bottom of the waiting list. Applicants may not exceed cycling through the waiting list two (2) times.

Right to refusal policies will be modified in three cases:

1. If a disabled applicant or resident is at the top of the waiting list, they will be offered units as they become available regardless of whether they include accessible features. A disabled household has the right to refuse an unlimited number of non-accessible units or units that do not meet specific accessibility requirements. Note: *Certain restrictions apply to non-elderly disabled households when HUD's program eligibility requires the need for an accessible unit.*
2. If an applicant or resident household with no disabled members is at the top of the waiting list, and there are no disabled households on the waiting list, that household may be offered an accessible unit. An applicant household with no disabled household members has the right to refuse an unlimited number of accessible units or units that do not meet their needs.
3. Any applicant may reject an available unit on a property set aside for the elderly and/or disabled if this unit is close to another unit with an animal. This action will not negatively affect the household's application for occupancy or position on the waiting list to be eligible for the next available unit. The owner/agent is not obligated at the time the applicant rejects a unit to provide an alternate unit.

TIMEFRAME FOR TAKING POSSESSION OF A UNIT

The applicant must agree to take possession of a unit in no more than thirty (30) calendar days unless the owner/agent provides written exception to this policy.

If the applicant household does not complete appropriate paperwork and does not take possession of the unit within thirty (30) days from accepting the offer, the applicant will be subsequently rejected and removed from the waiting list. (Extenuating circumstances related to verified medical situations will be considered.) The owner/agent reserves the right to refuse subsequent applications. The unit will be offered to the next eligible applicant/resident based on the selection order described in this plan.

UNIT TRANSFER POLICIES

The owner/agent will accept requests for transfer based on the following:

1. There is a need for a unit transfer because of a change in household size and/or composition
2. There is a need for a unit transfer based on the verified need for an accessible unit
3. There is a verified medical need for a different unit.
4. There is a need for a unit transfer of a household that does not require the accessibility features of a unit in which they are living

Existing residents must complete a new application. The application must be completed and signed by the head of household and all adult household members who wish to move. The owner/agent will accept the Unit Transfer Request in an equally effective format, as a reasonable accommodation, if there is the presence of a disability.

Special consideration is given when the unit transfer is requested because there is:

- A verified medical need for a different unit
- A verified need for an accessible unit
- There is a need for a unit transfer of a household that does not require the accessibility features of a unit in which they are living to accommodate a disabled resident/applicant on the waiting list.
- A change in household size that makes the current unit too large or too small for the family based on the owner/agents occupancy standards

Except in those cases described above, unit transfers will be granted only if:

- The household has not given notice to move
- The resident is not being evicted
- The resident is current for all outstanding charges
- The resident has not entered in to a repayment agreement for failing to fully and accurately report income or household composition
- The resident has no record of more than one minor lease violation in the last 12 month
- The resident has no record of any major lease violations
- The resident complies with lease provisions regarding decent safe and sanitary conditions of the current unit

SECURITY DEPOSITS, PET DEPOSITS & UNIT TRANSFERS

When a resident transfers to a new unit with all other household members, the owner/agent will charge a new security deposit and refund the security deposit for the old unit less any outstanding amounts for rent, fees or damages.

When a resident owns a pet, the original unit will be assessed for damages caused by the pet. The pet deposit will be reduced by charges for those damages and the

resident will be required to obtain a pet deposit balance of \$300.00 for the new unit. The resident will be allowed to pay the new pet deposit balance due in \$10.00 monthly payments until the \$300.00 pet deposit balance is reached.

HOUSEHOLD SPLIT

In some cases, a household may split. A Split Household is defined as one assisted household becoming two or more assisted households. This happens when one or more household members move out of the unit in to a new unit. Some of the original household members remain in the original unit.

When this happens, those members establishing a “new” household will be treated as applicants with a preference. New application documents must be completed and submitted to the owner/agent.

The “new” household must be eligible and must meet all screening requirements. The resident selection plan in effect at the time of the final eligibility determination will be used.

SECURITY DEPOSITS, PET DEPOSITS & HOUSEHOLD SPLITS

If the household “splits” and one or more residents remain in the original unit, the original security deposit will remain with the original unit and a new security deposit will be collected for the new unit.

If a pet remains in the original unit, the pet deposit will remain with the original unit. If a pet will reside in the new unit, then a new pet deposit will be collected for the new unit.

If all pets are being moved to the new unit, the pet owner/resident will be assessed for damages caused by the pet. The pet deposit will be reduced by charges for those fees and damages and the resident will be required to obtain a pet deposit balance of \$300.00 for the new unit. The resident will be allowed to pay the new pet deposit in \$10.00 monthly payments until the \$300.00 pet deposit balance is reached.

CHANGES IN HOUSEHOLD COMPOSITION

ADDING HOUSEHOLD MEMBERS AFTER INITIAL OCCUPANCY

The owner/agent must approve any new adult household member **before** he/she moves in to the unit.

Eligibility criteria, screening criteria and compliance with occupancy standards will be reviewed before the new household member is approved or denied.

The request to add a new household member will not be considered if the resident has provided notice to vacate the unit. This helps prevent applicants from “jumping” ahead on the waiting list.

Any new adult household member will be considered an applicant and must participate in the eligibility determination and screening processes described in the resident selection plan in place at the time of the eligibility determination.

When a change in family composition is reported in Section 202/8 projects, adult children are eligible to move in after initial occupancy only if they are essential for the care or well-being of the elderly tenant(s). They are considered a part of the family and their income must be counted.

The adult children are required to sign a release form relinquishing any future rights to the unit as a remaining member of the tenant family, as they qualify for occupancy only as long as the individual needing the supportive services is in occupancy.

The rent/assistance payment will be re-calculated to reflect any income or allowances for the new household member. If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the addition of the new household member.

This policy applies to live-in aides as well. Screening criteria will also be applied to live-in aides, **except for the criterion regarding credit performance or the ability to pay rent on time** because live-in aides are not responsible for rental payments.

However, live in aides must meet other screening criteria established by the owner/agent. Income and/or allowances received by live-in aides will not be considered.

Information about new household members who are minors must be provided to the owner/agent as quickly as possible but within no more than thirty (30) calendar days. This includes, as applicable, required eligibility information including Social Security Numbers, proof of citizenship or non-citizen eligibility and other pertinent information.

If the new household member is under the age of six, special consideration regarding Social Security Number disclosure and verification of Social Security Numbers is given. The household will be given ninety (90) calendar days to provide the Social Security Number and adequate documentation to verify the Social Security Number provided. In some cases, an additional ninety (90) days may be provided.

If the household fails to provide the required Social Security Number information within the allotted timeframe, the household's tenancy will be terminated (eviction) in accordance with HUD requirements.

Each dependent child that lives in the unit may be eligible for a \$480 deduction that decreases the monthly rent payment by roughly \$12.00 per month. The rent payment will be re-calculated to reflect any income or allowances for the new household member.

If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the addition of the new household member.

Failure to notify the owner/agent about changes in household composition as described above may result in retroactive rent changes and/or termination of subsidy/tenancy for the entire household. Please contact the owner/agent or property staff if you have questions about this policy.

REMOVING HOUSEHOLD MEMBERS AFTER INITIAL OCCUPANCY

Residents must notify the owner/agent if any household member listed on the lease or on HUD Form 50059 leaves the unit. This notification must occur as quickly as possible but within no more than thirty (30) calendar days.

Upon notice, the rent payment will be re-calculated to remove any income or allowances for the previous household member. If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the removal of the household member.

Failure to provide notice to the owner/agent, within thirty (30) days, could result in rent increases retroactive to the first of the month after the household member left. Subsidy paid in error will be returned, as required, to the Department of Housing & Urban Development.

If the resident fails to notify the owner/agent of a change in household composition within thirty (30) calendar days, and that change would result in a rent decrease, the owner/agent will make the decrease effective the first of the month following the notice. No retroactive rent credits will be returned to the resident.

Failure to notify the owner/agent about changes in household composition may result in termination of subsidy and/or tenancy for the entire household. Please contact the owner/agent if you have questions about this policy.

APARTMENT INSPECTIONS

All apartments must undergo periodic inspection conducted by the on-site management team, HUD or HUD's representatives/agents. These inspections include not only interior but also exterior inspections. Residents have the right to be present, and are, in fact encouraged, to be present during unit inspection.

The move-in inspection is an opportunity to familiarize the new resident with the property and the unit, as well as to document its current condition. By performing move-in inspections, the owner/agent and residents are assured that the unit is in livable condition and is free of damages. A move-in inspection gives the owner/agent an opportunity to familiarize residents with the operation of appliances and equipment in the unit.

The move-out inspection is conducted when a household vacates a unit. The owner/agent will list the damages on the Unit Inspection Form and compare it with the Unit Inspection Form completed at move-in to determine if there is any damage or excessive wear-and-tear.

In addition, the owner/agent will perform **unit inspections on at least an annual basis** to determine whether the appliances and equipment in the unit are functioning properly and to assess whether a component needs to be repaired or replaced. This is also an opportunity to determine any damage to the unit and, if so, make the necessary repairs. At this time, residents may be charged for damages to the unit so long as those damages are not the result of normal wear-and-tear.

HUD, or its authorized contractor(s), has the right to inspect the units and the entire property to ensure that the property is being well maintained. These inspections assure HUD that owners and their agents are fulfilling their obligations under the regulatory agreements and/or subsidy contracts and that residents are provided with decent, safe, and sanitary housing.

CHANGES TO THE RESIDENT SELECTION PLAN

Applicants will be notified in writing when the resident selection plan undergoes significant change or when preferences are added or removed. At that time, applicants will be:

1. Given an opportunity to review the new plan
2. Notified of changes to preferences
3. Asked if they wish to remain on the waiting list

If the applicant household does not respond, that household will be deemed ineligible and removed from the waiting list. The current resident selection plan, in place at the time of final eligibility determination, will be used to make a final decision to approve or reject the application.

EVICTION

In Texas, a State statute is in effect which imposes obligations on LANDLORD and TENANT and provides that a violation of such obligation by a TENANT constitutes grounds for eviction; the LANDLORD may terminate in accordance with such statute or ordinance.

1. If the TENANT does not vacate the premises on the effective date of the termination of this Agreement, the LANDLORD may pursue all judicial remedies under State law for the eviction of the TENANT.
2. A TENANT may be evicted for material non-compliance with their Lease Agreement. The terms “material non-compliance with this Agreement” shall, in the case of the TENANT, include (1) one or more substantial violations of the Lease Agreement, or (2) repeated minor violations of the Lease Agreement which disrupt the livability of the project, adversely affect the health or safety of any person or the right of any TENANT to the quiet enjoyment of the leased premises and related project facilities, interfere with the management of the project. Nonpayment of rent or any other financial obligation due under the Lease Agreement (including any portion thereof) beyond any grace period permitted under State law shall constitute a substantial violation. The payment of rent, or any other financial obligation, due under Lease Agreement after the due date, but within any grace period, required under State law shall constitute a minor violation.
3. The term “material non-compliance” as set out in the Lease Agreement shall also include, but is not limited to, the inability to live independently with or without assistance as defined in the preamble to the Lease.

In the event that through poor health, mental impairment or decline, advancing of the aging process, or other cause, TENANT loses his/her ability to live independently with or without assistance, LANDLORD may, at its option, terminate the Agreement, by giving notice. The LANDLORD will give the TENANT ninety (90) days written unless there is an emergency affecting the safety of other tenants or of the project, in which case notice may be less.

4. Extended absences or abandonment of the unit as defined in the house rules for property or state and local law.
5. Tenant knowingly provided incomplete or inaccurate information.

APPENDIX A – REQUEST FOR REASONABLE ACCOMMODATION OR MODIFICATION

The owner/agent is committed to complying with the Fair Housing Act and Section 504 of the Rehabilitation Act by ensuring that its policies and practices do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities in connection with the operation of housing services or programs solely on the basis of such disabilities.

If an individual with a disability requests an accommodation or modification, the owner/agent will fulfill these requests, unless doing so would result in a fundamental alteration in the nature of the program or create an undue financial and administrative burden. In such a case, if possible, the owner/agent will offer an alternative solution that would not result in a financial or administrative burden.

- (1) The owner/agent informs all applicants/residents that, at any time, the applicant/resident or a person acting on behalf of the applicant/resident may make a request for reasonable accommodation or modification for an individual with a disability.
- (2) At the time of application, all applicants are provided with a copy of the Reasonable Accommodation - Modification Policy. This is provided in writing as part of the Application Package or, upon the applicant's request, the Policy will be provided in an equally effective format.
- (3) All applicants/residents are provided with a Reasonable Accommodation/Modification Request Form when requesting a reasonable accommodation or modification. The request will be accepted in an equally effective format, as a reasonable accommodation, if there is the presence of a disability. A resident or applicant may submit the request in writing, orally, or use another equally effective means of communication to request an accommodation or modification.
- (4) Residents and applicants may contact the management office located within their property for information about requests.
- (5) The owner/agent will provide an initial reply to requests as quickly as possible, but no more than ten (10) business days from the receipt of the request unless the owner/agent explains the delay. Response may include but is not limited to:
 - i. Request Approval
 - ii. Request Denial
 - iii. Request for Additional Information or Verification of Need
- (6) The owner/agent will consent to or deny the request as quickly as possible. Unless the owner/agent explains the delay, the applicant/resident will be notified of the decision to consent or deny within no more than thirty (30) calendar days after receiving all necessary information and documentation from the resident and/or appropriate verification sources. All decisions to grant or deny reasonable accommodations will be communicated in writing or, if required/requested, in an alternative format. Exceptions to the thirty (30) day period for notification of the owner/agent's decision on the request will be provided to the resident setting forth the reasons for the delay.
- (7) If the request for reasonable accommodation or modification is denied, the requestor has the right to appeal the decision within ten (10) business days of the date of the written notification of denial. The appeal meeting will be conducted by a person who was not originally involved in the decision to deny.

APPENDIX B – CITIZEN/NON-CITIZEN ELIGIBILITY

Applicants are required to declare U.S. Citizenship or submit evidence of eligible immigration status for each of household member seeking housing assistance.

The owner/agent is required to obtain the following documents:

- 1) Family Summary Sheet (lists all household members who will reside in the assisted unit)
- 2) Citizenship Declaration (Each household member listed on the Household Summary Sheet must complete)
- 3) Forms and/or evidence of citizen/immigration status

If you have any questions or difficulty in providing the described information or determining the type of documentation required, please contact the management office. If you are unable to provide the required documentation in the timeframe indicated, you must contact the management office and request an extension. If you fail to provide this information, the owner/agent cannot provide assistance.

The owner agent will offer the household assistance, providing subsidy to those household members whose documents were received on time when the following criteria is met:

- 1) Assistance/unit is available
- 2) The household has come to the top of the waiting list
- 3) At least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible based on all of the criteria in this resident selection plan

If any household member is determined to be an ineligible non-citizen, either at application or after move-in, assistance may be prorated or terminated.

REQUIRED DOCUMENTATION

The owner/agent must obtain the following documentation for each household member regardless of age:

- From U.S. citizens, a signed declaration of citizenship. The owner/agent requires verification of the declaration. The following documents will be accepted as proof of citizenship
 - United States (U.S.) Passport
 - U.S. birth certificate
 - Other documentation as provided by HUD or DHS
- From non-citizens claiming eligible status who is 62 or older:
 - A signed declaration of eligible immigration status and
 - Proof of age
- From non-citizens claiming eligible status who is not 62 or older:
 - A signed declaration of eligible immigration status **and**
 - A signed consent form **and**

- One of the DHS-approved documents
 - Form I-551, *Permanent Resident Card*.
 - Form I-94, *Arrival-Departure Record* annotated with one of the following:
 - “Admitted as a Refugee Pursuant to Section 207”;
 - “Section 208” or “Asylum”;
 - “Section 243(h)” or “Deportation stayed by Attorney General”; or
 - “Paroled Pursuant to Section 212(d)(5) of the INA.”
 - Form I-94, *Arrival-Departure Record* (with no annotation) accompanied by one of the following:
 - A final court decision granting asylum (but only if no appeal is taken);
 - A letter from an DHS asylum officer granting asylum (if application was filed on or after October 1, 1990) or from an DHS district director granting asylum (application filed was before October 1, 1990);
 - A court decision granting withholding of deportation; or
 - A letter from an asylum officer granting withholding of deportation (if application was filed on or after October 1, 1990).
 - A receipt issued by the DHS indicating that an application for issuance of a replacement document in one of the above-listed categories has been made and that the applicant’s entitlement to the document has been verified.
 - Other acceptable evidence.

If other documents are determined by the DHS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the Federal Register.

TIMEFRAMES FOR SUBMITTING EVIDENCE OF CITIZENSHIP/IMMIGRATION STATUS TO THE OWNER/AGENT

Applicants must submit required documentation of citizenship/immigration status no later than the date the owner/agent initiates verification of other eligibility factors (pre application or application). Owner/agents determine the applicant’s citizenship or immigration status during the initial eligibility determination prior to move-in.

If the applicant cannot supply the documentation within the owner/agent’s specified timeframe, the owner/agent **may** grant the applicant an extension of not more than thirty (30) days, **but only if** the applicant certifies that the documentation is temporarily unavailable and additional time is needed to collect and submit the required documentation. (Although the extension period may not

exceed thirty (30) days, the owner/agent may establish a shorter extension period based on the circumstances of the individual case.)

The owner/agent will inform the applicant in writing (or, if required/requested, in an alternative format) if an extension request is granted or denied. If the request is granted, the owner/agent will include the new deadline for submitting the documentation. If the request is denied, the owner/agent will state the reasons for the denial in the response. When granting or rejecting extensions, the owner/agent/agent will treat applicants consistently.

REVIEWING AND VERIFICATION OF A HOUSEHOLD'S CITIZENSHIP/IMMIGRATION STATUS

Owner/agents will conduct primary verification through the (Systematic Alien Verification for Entitlements) SAVE ASVI database - the Department of Homeland Security (DHS) automated system.

After accessing the ASIV database, the owner/agent enters the required data fields.

The system will display one of the following messages for immigration status confirmation on the screen.

- Lawful Permanent Resident
- Temporary Resident
- Conditional Resident
- Asylee
- Refugee
- Cuban\Haitian Entrant
- Conditional Entrant

Secondary verification. If the message “institute secondary verification” is displayed on the screen, the manual verification process must be used.

Within ten (10) days of receiving an “Institute Secondary Verification” response, the owner/agent will prepare DHS Form G-845S, *Document Verification Request*. The owner/agent will send DHS Form G-845S and photocopies of the DHS documents submitted by the applicant to the DHS office serving the property's jurisdiction.

The DHS will return to the owner/agent a copy of DHS Form G-845S indicating the results of the automated and manual search.

NOTIFICATION TO APPLICANTS

Owner/agents will notify households in writing that they are:

- Eligible for assistance
- Eligible for partial assistance, as a mixed household

The owner/agent/agent will notify applicants and/or residents in writing if they are found to be ineligible based upon citizenship/immigration status.

MIXED HOUSEHOLDS

A mixed household—a household with one or more ineligible members and one or more eligible household members—may receive:

- Prorated assistance
- Continued assistance

APPEALING DETERMINATIONS OF INELIGIBILITY

The owner/agent will notify the household in writing as soon as possible if the secondary verification process returns a negative result.

The applicant or resident has thirty (30) days from receipt of the notice to choose which option to follow.

The applicant or resident may appeal the owner/agent's decision directly to the DHS. The applicant or resident must send a copy of the appeal directly to the owner/agent. The DHS should respond to the appeal within thirty (30) days.

If the DHS decision results in a positive determination of eligibility, the owner/agent can provide the appropriate housing assistance. If the DHS decision results in a negative determination of eligibility, the household has **thirty (30) days** to request a hearing with the owner/agent.

PROHIBITION AGAINST DELAY OF ASSISTANCE

Owner/agents may not delay the household's assistance if the applicant or resident submitted immigration information in a timely manner but the DHS verification or appeals process has not been completed.

If a unit is available, the household has come to the top of the waiting list, and at least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible, the owner/agent will offer the household a unit and provide full assistance to those household members whose documents were received on time. The owner/agent will continue to provide full assistance to such households until information establishing the immigration status of any remaining non-citizen household members has been received and verified.

APPENDIX C: DUAL SUBSIDY NOTICE

I understand that my application to move to **Fowler Christian Apartments** with the rest of my household members has met preliminary eligibility requirements.

I have indicated, on the application, that:

1. I am not currently receiving HUD assistance in another unit
2. I am currently receiving HUD assistance in another unit.

According to the current HUD lease, if I am living in a community and receiving HUD project-based assistance, I must provide a 30-day notice to the agent managing the property where assistance is currently provided.

*If the owner/agent discovers that any household member failed to move out of a HUD assisted residence before moving to **Fowler Christian Apartments**, no rent subsidy or utility allowance will be provided by the Department of Housing and Urban Development until the day after the move out is complete. Household members who signed the lease will be responsible for paying the market rent until qualified to receive HUD assistance on this property. Any assistance paid in error must be returned to HUD.*

3. I am the recipient of a housing voucher.

I understand that HUD prohibits residents from benefiting from Housing Voucher assistance in a unit assisted through HUD's Section 8 program.

I understand that HUD prohibits residents from benefiting from Housing Voucher assistance in a unit assisted through HUD's Section 8 program. When the application is submitted the household will be added to the waiting list. A unit will be offered in accordance with the resident selection plan. If the family later moves out of the project, the project subsidy will not move with the family as it does with a voucher. If you wish to participate in the voucher program after move-out, you will need to reapply to the PHA to receive another voucher.

*All household members must be removed from or forfeit the voucher before receiving HUD assistance for a unit on this property. If the owner/agent discovers that any household member failed to give up current HUD assistance before moving to **Fowler Christian Apartments**, no rent subsidy or utility allowance will be provided by the Department of Housing and Urban Development until the day after the move out is complete.*

Household members who signed the lease will be responsible for paying the market rent until qualified to receive HUD assistance on this property. Any assistance paid in error must be returned to HUD.

This information will be verified using the Existing Tenant Report in EIV. If EIV indicates a conflict and verification information indicates that the information provided is not true, and the EIV information is verified, then the owner/agent will reject the application based on misrepresentation of information.

APPENDIX D – VERIFICATION OF HOUSEHOLD COMPOSITION

In compliance with HUD's Rental Housing Integrity Improvement Project (RHIIP), the owner/agent will make every effort to ensure that the correct assistance is provided to those who seek housing assistance.

If an applicant household indicates that one or more members should be removed from the application, the owner/agent will accept such notification from the Head-of-Household (HOH) if it is provided on a notarized form provided by the owner agent. The following rules apply.

If the household is being rejected because a member is registered as a sex offender in any state lifetime sex offender registry, the owner/agent will take extra steps to ensure that the sex offender is not housed in any unit on the property. The household will have to provide documentation to prove that the sex offender will live at another location. Acceptable documentation includes, but is not limited to:

- Confirmation from a landlord with copy of an executed lease
- Confirmation from local police
- Confirmation from anyone who maintains sex offender registries including but not limited to:
 - a) Dru Djodin Sex Offender Registry
 - b) Megan's List
 - c) State or Federal Sex Offender Registries
- New driver's license with new address

Information will be confirmed for up to one year after move-in.

If it is discovered that the household allowed any registered sex offender to live in the unit, the applicant must understand that he/she is not qualified to receive subsidy or live on the property. All subsidy paid-in-error must be returned to HUD. Because this is a material lease violation, all household members must vacate the unit within 30 days.

One of the key requirements, at application and during residency, is to disclose who will be living in the unit at any given time. It is important to understand the difference between a resident and a guest.

Resident: A resident is any person who is listed on the application, on any Family Summary submitted and on the lease who will reside in the unit.

Guest: A guest is a person who visits any resident and may stay overnight no more than thirty (30) consecutive nights in a one-year period and may stay overnight no more than ninety (90) non-consecutive nights in any one-year period without express written consent of the owner/agent.

If the owner/agent suspects that a guest should actually be classified as a resident, the owner/agent will request a meeting with the Head-of-Household (HOH).

In accordance with HUD requirements, the resident will have ten (10) days to meet with the owner/agent. Failure to respond to the request to meet will result in termination of assistance beginning the first of the month following the 10-day notice.

If the owner/agent suspects that a guest is actually living in the unit, the owner/agent will ask for verification of alternative residence. Samples of such verification include one or more of the following:

- Verification with the United States Postal Service that no mail, for the guest, is delivered to the unit address
- *A current driver's license for the "guest" with an alternative address
- *A current lease indicating an alternative residence
- *A current utility bill in the person's name showing an alternative address
- *A current insurance policy or other such invoice/bill showing an alternative address

**Current means issued/created within the last thirty (90) days.*

In addition, the resident(s), indicated on the lease, must sign a notarized statement confirming that the guest does not violate the guest policy as indicated above and does not reside in the unit.

Live-in Aides: A live-in aide must meet HUD's definition of a live-in aide:

- 1) Is essential to the care and well-being of the resident
- 2) Is not dependent on the resident for support
- 3) Is only living in the unit to provide essential support

If a resident or applicant requests a live-in aide, the owner/agent is required to verify the need for a live-in aide using third-party verification.

Live-in Aides are required to complete the Live-in Aide Questionnaire. The information on the Live-in Aide questionnaire will be verified and the prospective live-in aide will be screened in accordance with the resident selection plan in place at the time of review. The live-in aide will not be screened for the "ability to pay rent" since the live-in aide is not responsible for rent payment.

The live-in aide must be approved and must sign the House Rules and the HUD-approved Live-in Aide Addendum before move-in. The owner/agent must sign a revised 50059 before the live-in aide is allowed to move-in.

If a live-in aide moves in prior to screening and prior to signing required forms, the owner/agent will issue a notice of lease violation and may pursue other action including, but not limited to eviction of the live-in aide, termination of assistance and/or termination of tenancy.

Children/Minors: At move-in, all non-exempt household members, including children, must have a Social Security Number and adequate documentation to verify the Social Security Number.

When children are later added to the household, the following will be required.

For children who are born, adopted or in foster care or in another legal custodial relationship with an existing household member, the owner/agent requires the following:

- Social Security Number and proof that the number is valid

- For children under the age of 6 years old - must be provided within ninety (90) days or owner/agent is required to terminate tenancy.
- An additional ninety (90) may be provided if extenuating circumstances exist
- Proof of age/legal custodial arrangement
- Birth certificate indicating that a household member is a parent; or
- Adoption paperwork indicating that a household member is a parent as appropriate; or
- Verification from the foster agency indicating the unit as the primary residence of the foster child as appropriate; or
- Other documents proving legal custody arrangement as appropriate

For children who are not part of a legal custody arrangement who will be living in the unit, the owner/agent requires:

- Social Security Number and proof that the number is valid
- For children under the age of 6 years old - must be provided within ninety (90) days or owner/agent is required to termination of tenancy. An additional ninety (90) may be provided if extenuating circumstances exist
- Two forms of proof that the child resides with a member of the household
- Verification from a government organization indicating that the unit will be the primary residence for the minor (examples include but are not limited to school records, children services agencies, foster programs, etc.)
- Verification from a medical professional in the know indicating that the unit will be the primary residence for the minor
- Verification from a social service organization indicating that the unit will be the primary residence of the minor (examples include but are not limited to homeless shelters, shelters for victims of domestic violence, etc.)
- A signed, notarized statement from an adult household member claiming guardianship of the minor child

The owner/agent does not and will not establish policies intended to exclude children. If none of the household members can provide documentation for minors, as described above, the owner/agent will meet with the resident to discuss reasonable alternatives. The owner/agent will be the final judge of what is considered adequate documentation proving household composition/residency.

APPENDIX E – VAWA POLICY

The Violence Against Women Act (VAWA) provides protections to women or men who are the victims of domestic violence, dating violence, sexual assault and/or stalking. The owner/agent understands that, regardless of whether state or local laws protect victims of domestic violence, dating violence, sexual assault and/or stalking, people who have been victims of violence have certain rights under the Violence Against Women Act Reauthorization of 2013.

This policy is intended to support or assist victims of domestic violence, dating violence, sexual assault and/or stalking and protect victims, as well as members of their family, from being denied housing or from losing their HUD assisted housing as a consequence of their status as a victim of domestic violence, sexual assault, dating violence and/or stalking.

VAWA protections are not provided to guests, unauthorized residents or service providers (including live-in aides) hired by the resident.

VAWA ensures that victims are not denied housing and housing assistance is not terminated **solely** because the person is a victim of an act covered under the VAWA (domestic violence, dating violence, stalking and/or sexual assault).

However, being a victim of an act covered under the VAWA is not reason to change the eligibility or applicant screening requirements set forth in the tenant selection plan unless such requirements interfere with protections provided under the VAWA. Being a victim of an act covered under the VAWA is not reason to waive requirements set forth in the HUD Model Lease or in any lease attachment or HUD approved lease addendum unless such requirements interfere with protections provided under the VAWA.

The owner/agent will not assume that any act is a result of abuse covered under the Violence Against Women Act. In order to receive the protections outlined in the VAWA, the applicant/resident must specify that he/she wishes to exercise these protections. If any applicant or resident wishes to exercise the protections provided in the VAWA, he/she should contact the owner/agent immediately. The owner/agent is committed to ensuring that the Privacy Act is enforced in this and all other situations.

CONFIDENTIALITY

The identity of the victim and all information provided to owner/agent relating to the incident(s) of abuse covered under the VAWA will be retained in confidence. Information will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is

- a) Requested or consented to by the victim in writing;
- b) Required for use in an eviction proceeding or termination of assistance; or
- c) Otherwise required by applicable law.

The certification form provides notice to the resident of the confidentiality of the form and the limits thereof. The owner/agent will retain all documentation relating to an individual's domestic violence, dating violence, sexual assault and/or stalking in a separate file that is kept in a separate secure location from other applicant or resident files.

REQUESTS & CERTIFICATION

When the owner/agent responds to a request for protections provided under the VAWA the owner/agent will request that an individual complete, sign, and submit a certification form, within fourteen (14) calendar days of the request. This certification may be submitted in an equally effective manner, as a reasonable accommodation, if there is the presence of a disability.

The owner/agent understands that the delivery of the certification form to the applicant/resident via mail may place the victim at risk, (e.g., the abuser may monitor the mail). The owner/agent will work with the applicant/resident in making acceptable delivery arrangements, such as inviting them into the office to pick up the certification form or making other discreet arrangements.

If the applicant/resident has sought assistance in addressing domestic violence, dating violence, sexual assault and/or stalking from a federal, state, tribal, territorial jurisdiction, local police or court, the applicant/resident may submit written proof of this outreach in lieu of the certification form. The owner/agent may accept the following:

- A federal, state, tribal, territorial, or local police record or court record or
- Documentation signed and attested to by a professional (employee, agent or volunteer of a victim service provider, an attorney, medical personnel, etc.) From whom the victim has sought assistance in addressing domestic violence, dating violence and/or stalking or the effects of the abuse. The signatory attests under penalty of perjury (28 U.S.C. §1746) to his/her belief that the incident in question represents bona fide abuse, and the victim of domestic violence, dating violence and/or stalking has signed or attested to the documentation.

If the applicant is currently living in a shelter established to protect victims of violence covered under the VAWA, the owner/agent will accept verification of such living arrangement in lieu of additional verification.

The victim is not required to name his/her abuser if doing so would result in imminent threat or if the victim does not know the name of his/her abuser.

To ensure that a person is not wrongly accused of committing an act covered under the VAWA, the owner/agent will carefully evaluate abuse claims as to avoid denial, termination of assistance, termination of tenancy or eviction based on false or unsubstantiated accusations.

The applicant/resident is required to provide all necessary documentation to the owner/agent no more than ten (10) business days after submitting the certification to the owner/agent. If the victim is unable to provide required documentation within the required timeframe, the owner/agent will deny the request.

The owner/agent will review and respond to requests to exercise protections provided under the VAWA within ten (10) business days of receiving all required documentation. The owner/agent may provide the response in any manner acceptable to the victim and the owner/agent. Responses include:

- Approval of the Request

- Denial of the Request
- Request for additional information

LEASE BIFURCATION

If the owner/agent determines that physical abuse caused by a resident is clear and present, the law provides the owner/agent with the authority to bifurcate a lease (i.e., remove, evict, or terminate housing assistance to any abuser, while allowing the victim, who lawfully occupies the home, to maintain tenancy.)

The owner/agent may attempt to evict the abuser, but residents should know that state/local tenant/landlord laws prevail and the owner/agent must comply with such laws. The owner/agent cannot guarantee that a court will award or enforce an eviction.

Owner/agents must keep in mind that the eviction of or the termination action against the individual must be in accordance with the procedures prescribed by federal, state, and local law. The owner/agent is committed to attempting to assist the victim, however, evictions are generally carried out through the court system and the owner/agent cannot override or circumvent a legal decision.

In the event that one household member is removed from the unit because of engaging in acts of domestic violence, dating violence, sexual assault and/or stalking against another household member, an appropriate certification will be processed reflecting the change in household composition. Special consideration will be given if the remaining household members are not qualified to remain in the unit as a “remaining household member”.

CRIMINAL ACTS

Victims are encouraged to seek police/legal protection from their abuser. In some cases, the owner/agent may file a restraining order against the abuser to prevent the abuser from entering the property. If there is a restraining order against the abuser and the resident willingly allows or invites the abuser onto the premises, the owner/agent may seek termination of assistance and/or tenancy.

In accordance with the regulation at 24 CFR 5.861, the owner/agent may terminate tenancy and evict the tenant through judicial action for criminal activity by a covered person if the Landlord determines that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested, or convicted for such activity and without satisfying a criminal standard of proof of the activity.

The owner/agent will take into account individual circumstances when making a determination to terminate tenancy; such circumstances might include, among other things, the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, and whether the leaseholder, if not the wrongdoer, took all feasible steps to prevent the offending action from occurring and has removed the offending person from the lease or otherwise banned the offending person from the premises in the future.

LEASE ADDENDUM

Any HUD approved lease addendum will be implemented and provided in accordance with HUD guidance.

“Title 18, Section 1001 of the U.S. Code states that a person is guilty of a felony for knowingly and willingly making false or fraudulent statements to any department of the United States Government. HUD and any owners (or any employee of HUD or the owner) may be subject to penalties for unauthorized disclosures or improper use of information collected based on the consent form. Use of the information collected based on this verification form is restricted to the purposes cited above. Any person who knowingly or willingly requests, obtains or discloses any information under false pretenses concerning an applicant or participant may be subject to a misdemeanor and fined not more than \$5,000. Any applicant or participant affected by negligent disclosure of information may bring civil action for damages, and seek other relief, as may be appropriate, against the officer or employee of HUD or the owner responsible for the unauthorized disclosure or improper use. Penalty provisions for misusing the social security number are contained in the **Social Security Act at 208 (a) (6), (7) and (8)**. Violation of these provisions are cited as violations of 42 U.S.C. 408 (a) (6), (7) and (8).****”
