

March 17, 2020 - Prayer from Chaplain Venessa

But all who humble themselves before the Lord shall be given every blessing and shall have wonderful peace. Psalm 37:11

Loving God, we give you thanks for the grace and mercy of this day.

We give you thanks Lord, for our leaders who desire to keep us safe by making the hard decisions.

We pray for church as the landscape of Worship changes lead us to be open to new ideas, trusting in your presence.

God, calm our anxiety about losing our daily routines and create in us a new heart that desire you. A heart that desires compassion for others – beyond ourselves.

Help us to see your healing Spirit in the world and to know how to respond.

Be in the minds of our leaders and guide them. Enable our eyes to see their care. Help us to trust you.

O' God help us to see your hand in the events of life.

We especially lift each Juliette Fowler Resident and entrust them to your care. And with gratitude in our hearts we are blessed with loving kindness from the staff and fellow residents, we praise you God for community.

May God be gracious to us and bless us and make God's face to shine upon us, that your way may be known upon earth, your saving power among all nations. Let the peoples praise you O' God, Let the people praise you. Psalm 67:1-3

In Jesus' name we pray, Amen.
