## FOWLER... your choice for today and tomorrow

Tradition and quality combine at Juliette Fowler Communities, a faith-based, nonprofit organization founded in 1892 and named for Dallas' first female philanthropist, Juliette Peak Fowler. Juliette's vision for an intergenerational community has cared for thousands of elders, children, youth and families. Fowler continues to do so today with a wide range of services for older adults, children and the young women at The Ebby House. We are conveniently located near shopping, restaurants, the Arts District and major medical centers.
