ASSISTED LIVING

FOWLER... your choice for today and tomorrow

Love people. Pursue excellence. Make a difference. These statements define Juliette Fowler Communities, a faith-based, nonprofit organization founded in 1892. We were named for Dallas' first female philanthropist, Juliette Peak Fowler, who envisioned an intergenerational home for elders, children and youth. Today, our community includes a wide range of services for older adults, children and young women at The Ebby House. We are conveniently located near shopping, restaurants, the Arts District and major medical centers.

Juliette Fowler Communities does not discriminate against any person on the basis of race, color, religion, gender, sexual orientation, national origin, disability or age in admission, treatment, or participation in its programs, services and activities or in employment.
