

## COMMUNITY BRIEFING

June 14, 2022 • 2 p.m.

- **Good afternoon, Fowler Family!**
- **COVID UPDATE:**
  - COVID transmission is increasing
    - The CDC transmission map shows that Dallas County is a red zone
    - The transition rates impact staff testing in skilled nursing in our Carroll neighborhood and is based on vaccination status:
      - Staff members who have received an initial vaccine series, will be tested 2/week while we are in the red zone for transmission
      - Staff members who have been vaccinated and boosted, do not have to test
      - Staff members that will be affected include all those who serve in the Carroll neighborhood - nursing, therapy, dining services, environmental services, maintenance and administration
    - We have one PNCC assisted living resident who has tested positive for COVID and is isolating in her apartment.
    - It is wise for all of us to remember our Love Your Neighbor Basics
- **FOWLER UPDATES:**
  - On Saturday, JFC board member Roland Bandy passed away. Roland served on the Fowler board for many years and his leadership will be greatly missed. Please keep Roland's family in your prayers.
  - Friday was our amazing Deloitte Impact Day – more than 1400 flowers, 50 activities and 200 volunteers contributed to this great day
    - We will be setting up a watering schedule and we will be asking many to participate in keeping the plants watered.
  - On Saturday, Fowler hosted a PCHAS Foster Family luau at the Means pool. Close to 20 foster families had a great time with swimming, crafts, hot dogs, and a toddler area. We are grateful this annual celebration of our foster families has resumed.

- **DIVERSITY, EQUITY AND INCLUSION SHARED STORY**
  - This week is Juneteenth. Juneteenth (short for “June Nineteenth”) marks the day when federal troops arrived in Galveston, Texas in 1865 to take control of the state and ensure

that all enslaved people be freed. The troops' arrival came a full two and a half years after the signing of the Emancipation Proclamation. Juneteenth honors the end to slavery in the United States and is considered the longest-running African American holiday. On June 17, 2021, it officially became a federal holiday. Today we celebrate freedom, black American culture and use it as an opportunity to reflect on how we can move forward.

- **Make it a great day on purpose!**
